

Response Summary:

Q33. Please provide the top priorities the school district has determined as the most pressing needs for students and schools within the school district as a result or in response to the COVID-19 pandemic. You may elect between 1-3 priorities by checking the box and providing the text response.

- Priority 1:
Update technology for Teachers and Students to better prepare them for online style learning if needed. The use of updated Chromebooks and Smartboards can help in this situation. Update curriculum to allow the use of online components within the curriculum in case of school closures or students out with covid related illnesses. By upgrading our curriculum we would accelerate learning using targeted instruction and enhancing online/offsite instruction.
- Priority 2:
Update our ability to communicate with the community as to school closures or instruction so the community doesn't have to enter the building as often. A new digital school sign with wifi capabilities will aide in this goal. This will also be a key factor in loss of instruction time as the students will have up to date information.
- Priority 3:
Purchase items that will allow students not to share and will allow them to social distance during the school day. This will help stop the spread of infection throughout our student population.

Q71.

Goal Action Plan:

Please define your Math goal, English Language Arts (ELA) goal, and other goal, based on the priorities you identified.

Explain what instruments or methods will be used to monitor the progress of the goals and determine if the goals are met. Click the box and provide the text response for each applicable box.

- Math Goal:
Our goal is to have every student improve their math scores as evaluated by our standardized test scores. Specifically, we want to increase the number of all students scoring at the proficient or advanced level in math. To monitor the progress of these goals, we will use standardized test scores, classroom grades, teacher observations, and STAR testing. All testing will be overseen by the Counselor and Administration.
- ELA Goal:
Our goal is to have every student improve their ELA scores as evaluated by our standardized test scores. Specifically, we want to increase the number of all students scoring at the proficient or advanced level in ELA. To monitor the progress of these goals, we will use standardized test scores, classroom grades, teacher observations, and STAR testing, and DIBELS testing. All testing will be overseen by the Counselor and Administration.
- Other Goal (For example, SEL, Mental Health, Graduation Rates, Recruitment/Retention, Professional Development, Community and Family Engagement, etc.):
Our goal is to continue to have a 100% graduation rate as we continue with this plan. To continue with a steady rate of improvement in ELA and Math, we can continue to graduate every student that enters our school.

Q34. When you identified each of your district's priorities, what data points did you use? Please list any and all data sources, such as attendance, interim assessments, surveys, etc.

Interim assessments, survey of teachers, community surveys, attendance, scores

Q24. Please indicate which of the following student groups specifically referenced in ARP ESSER were more affected than others in your district. Choose all that apply.

- Other (please identify in the box below):
All students were affected equally.

Q8. What is your school district phone number?

4066745418

Q53. How will the District monitor the impact of the ARP ESSER funded interventions or strategies, including but not limited to the 20% set-aside, to respond effectively to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted?

We will monitor student attendance, grades, and behavior on a daily basis. We will take note of changes or differences in the students and respond accordingly.

Q48. How do you plan to use the remaining 80% for the allowable uses of funds related to preventing, preparing for, and responding to COVID-19 as required by ESSER I, II, and III? See page 5 of the ARP ESSER Fact Sheet for more information. Choose all evidence-based practices that apply.

- Providing safe, healthy, inclusive learning environments
- Developing and implementing procedures and systems to improve the preparedness and response efforts
- Training and professional development for staff of the local educational agency on sanitation and minimizing the spread of infectious diseases
- Purchasing supplies to sanitize and clean the facilities
- School facility repairs and improvements to enable operation of schools to reduce risk of virus transmission and exposure to environmental health hazards, and to support student health needs.
- Inspection, testing, maintenance, repair, replacement, and upgrade projects to improve the indoor air quality in school facilities, including mechanical and nonmechanical heating, ventilation, and air conditioning systems, filtering, purification and other air cleaning, fans, control systems, and window and door repair and replacement.

Q11. Please indicate your role in the district.

- District-level Administrator

Q58.

Please provide the estimated number of jobs (FTEs) that have been or will be created by the school district through the district's planned use of ESSER III Funds.

0

Q42.

Goal Action Plan, Part 2:

Identify what strategies/action steps will be used to support the achievement of the goals.

Describe a realistic and achievable timeline to achieve the goals.

Identify who is responsible to ensure the strategies/action steps are achieved.

Click the box and provide the text response for each applicable box.

- Math Goal Strategies, Actions, Timelines, and Assignments:
 1. Increase the use of manipulative and hands-on activities to learn and solve math.
 2. Increase the use of technology to enhance and enrich learning. Ex: Edmentum
 3. Modify current teaching strategies to maximize teaching and learning.
 4. Increase the level of student collaboration to enhance learning and applications.
 5. Continue the use of technology with our one-to-one Chromebook program and iPad apps for math.
 6. Every student has 20 minutes a day of study skills when all teachers are available for assistance.
 7. Frequent assessments using STAR testing and other credible assessment tools available from the state and/or internet.
 8. Focus on specific weak areas as revealed through the CRT and/or SBAC results in classrooms at appropriate levels of instructions.
 9. Increase the level of "real world applications" in all math classes at every level.
 10. Increase the level of writing and reading in math classes.A realistic timeline for these goals spans the entire school year. Students will be monitored along the way, and changes will be make as necessary.
- ELA Goal Strategies, Actions, Timelines, and Assignments:
 1. Connect reading with all other subjects in our curriculum.
 2. Increase the amount of writing that students complete in all other curricular areas.
 3. Increase the use of technology to enhance and enrich learning.
 4. Modify current teaching strategies to maximize teaching and learning.
 5. Increase the level of student collaboration to enhance learning and applications.
 6. Continue the use of technology with our one-to-one Chromebook program and iPad apps for ELA.
 7. Every student has 20 minutes a day of study skills when all teachers are available for assistance.
 8. Frequent assessments using STAR testing, DIBELS testing, and other credible assessment tools available from the state and/or internet.
 9. Focus on specific weak areas as revealed through the CRT and/or SBAC results in classrooms at appropriate levels of instructions.
 10. Increase the amount of non-fiction reading in all classes and through the use of Accelerated Reading program.A realistic timeline for these goals spans the entire school year. Students will be monitored along the way, and changes will be make as necessary.

Q15. Describe your Math goal for each identified student group.

NA

Q14. For which of the following student groups do you have a distinct Math goal? Choose all that apply.

- None

Q12. If you are planning to use ARP ESSER funds for prevention and/or mitigation strategies, please select the evidence-based practices below and/or describe an additional practice in the Other box.

- Academic support
- Providing safe, healthy, inclusive learning environments.
- Purchasing supplies to sanitize and clean the facilities
- Purchasing educational technology (including hardware, software, and connectivity) that aids in regular and substantive educational interaction between students and their classroom instructors including low-income students and children with disabilities, which may include assistive technology or adaptive equipment.
- School facility repairs and improvements to enable operation of schools to reduce risk of virus transmission and exposure to environmental health hazards, and to support student health needs.
- Inspection, testing, maintenance, repair, replacement, and upgrade projects to improve the indoor air quality in school facilities, including mechanical and nonmechanical heating, ventilation, and air conditioning systems, filtering, purification and other air cleaning, fans, control systems, and window and door repair and replacement

Q59.

Please provide the estimated number of jobs (FTEs) that have been or will be retained by the LEA through the LEA's planned use of ESSER III Funds.

0

Q51. How do you plan to use ARP funds to support and stabilize the educator workforce? Choose all that apply.

- Technology to support learning: enable students to learn anywhere and teachers to teach essential standards

Q5. Please choose your county and district from the dropdown.

County	Phillips
District	Phillips ~ Whitewater K-12 Schools, LE0663

Q26. What method(s) did you use to seek stakeholder input? Choose all that apply.

- Website
- Media
- Social media
- Email

Q60. Did you coordinate ARP ESSER funds with other federal funds to address student needs?

- No

Q16. Describe your ELA goal for each identified student group.

NA

Q65. Describe your Other goal for each identified student group.

NA

Q6. Who is submitting this form?

Darin Cummings

Q9. What is your official school district email address?

wwwsupt@whitewater.k12.mt.us

Q25. ARP ESSER requires school districts to consult with a wide variety of stakeholders when developing a plan. Please select all of the following groups of stakeholders your district consulted and/or plans to consult.

- Local bargaining units
- Educational advocacy organizations
- County health departments

Q23. Please indicate the type of data you are obtaining and using to monitor outcomes.

- Summative assessments
- Chronic absenteeism
- Student engagement
- Access to technology
- Access to and preparation of high-quality educators
- Student, parent, or educator surveys
- Classified and certified staff (numbers of positions or people)

Q21. How do you plan to spend the required 20% set-aside to address lost instructional time? Choose all evidence-based practices that apply.

- Evidenced-based curriculum
- Access to and effective use of technology
- Providing information and assistance to parents and families on how they can effectively support students
- Tracking student attendance and improving student engagement provided by the school

Q64. For which of the following student groups do you have a distinct goal other than Math or ELA? Choose all that apply.

- None

Q63. For which of the following student groups do you have a distinct English Language Arts (ELA) goal? Choose all that apply.

- None

Montana School District ARP ESSER Plan Update

This tool allows districts to update their ARP ESSER plans at any point. Updates must be completed at least once every six months.

Federal Requirement

The US Department of Education (USED) required the OPI to establish a process for district plans consistent with the ARP ESSER requirements for the use of ARP ESSER funds and ensure plans be made available to the public, within no later than 90 days after a district received its ARP ESSER allocation (August 24, 2021). The requirements for the school district plans include, at a minimum, how districts will:

1. use funds to implement prevention and mitigation strategies;
2. use the funds totaling not less than 20% to address lost instructional time;
3. spend its remaining 80% of ARP ESSER funds;
4. respond to needs of student disproportionately affected by the pandemic; and
5. meaningfully engage with and consult stakeholders in crafting their plans.

Each of these federally required components are embedded into this school district ARP ESSER plan.

In addition, the USED requires the OPI to support and monitor each school district's use of ARP ESSER funds, including:

- i. implementation of evidence-based interventions;
- ii. address the student groups specifically that were disproportionately impacted by the pandemic; and
- iii. identify, reengage, and support students who have experienced the impact of lost instructional time.

The plan will provide the information necessary for the OPI to support and monitor school districts as they move forward.

State Components

Throughout this school district ARP ESSER plan, the OPI has emphasized local control and coordination of state initiatives and requirements so that school districts can identify and innovate solutions for unique local needs and priorities. These components are embedded in the school district ARP ESSER plan. Additionally, the OPI will seek flexibility from the Board of Public Education to use the Goals section of this plan in place of the Continuous School Improvement Plan (CSIP).

Initial ARP-ESSER plans were developed through the use of a template. This plan update tool will provide districts with their most recent plan submission presented with the same fields and sections as their initial plan.

The sections of this tool match the sections of the template provided for districts to use for the creation of their plans.

The template sections are as follows:

1. School District-Identified Priorities
2. Meaningful Consultation
3. Goals

4. Coordinating Funds
5. Creating Safe and Healthy Learning Environment
6. Addressing Lost Instructional Time
7. Supporting the Educator Workforce
8. Monitoring and Measuring Impact of ARP ESSER funds

Prior to updating your school district ARP ESSER plan, consider the following:

What data do you have available to you to measure the impact of your work and guide plan adjustments?

What feedback have you received from stakeholders around your plan and/or your plan implementation?

What steps have you taken to engage stakeholders in your update process?

Instructions for updating your school district ARP ESSER plan

- Review the information in each field to verify that it matches the information you have at the local level. In the event that there is a difference please update any impacted fields during your update process.
- It is recommended that you complete your plan revision in a single sitting. If you are unable to do this please click through to the end of the survey and note on the final page that this submission represents an unfinished update draft.
- After you hit submit you will receive an email that contains a link that you can use for your next update. If you were submitting a draft update please be sure to return to complete your draft before the deadline.

Resources to help with completing your plan

- [Curriculum Selection](#)
- [Acceleration Guidance](#)
- [ESSA Tiers of Evidence](#)
- [Gap Analysis Tool](#)
- [U.S. Department of Education FAQ - ESSER/GEERS](#)
- [FAQ's of Maintenance of Equity Requirements](#)
- [Montana Office of Public Instruction ESSER website](#)
- [SEL Priorities](#)

Next Steps:

- When you submit your update you will receive a confirmation email that contains a link to access a PDF of your plan submission and a link to complete your next update.

Please review the information in these fields and verify that it reflects the submission of this update.

Q74. Describe the stakeholder consultation that was completed to inform this update. Include dates, locations, and links where relevant.

District ESSER Plan Review was placed on Board Agenda and stakeholders were able to speak to the plan and any changes needed. This Board meeting was held on December 24, 2021 in the Board room of Whitewater Public School. Stakeholders given opportunity to speak to the plan and any revisions needed.

Q75. Please write a summary statement describing this update. Example: "This submission reflects our first update of our plan in November of 2021"

This submission reflects our first update of our plan in December of 2021.

1. School District-Identified Priorities

2. Meaningful Consultation

Q80. Click to write the question text

N/A

3. Goals

Q67. If you are planning to develop or use approaches that are novel to achieve your Math, ELA, or other goal, would you be willing to have the OPI share your approaches with state and federal entities? If so, please briefly describe your innovation below.

N/A

4. Coordinating Funds

Identify other federal funding that you are coordinating with ARP ESSER funds to most effectively use funds to address student needs.

5. Creating Safe and Healthy Learning Environments

Determine if ARP funds will be used to **implement prevention and mitigation strategies**, to the greatest extent practicable, in order to continuously operate schools for in-person learning.

Q68. If you are planning to develop or use approaches that are novel to implement prevention and mitigation strategies, would you be willing to have the OPI share your approaches with state and federal entities? If so, please briefly describe your innovation below.

N/A

6. Addressing Lost Instructional Time

Describe how the school district will use ARP ESSER funds it reserves under Section 2001(e)(1) of the ARP Act to **address lost instructional time** through the implementation of evidence-based interventions. The district must spend a minimum of 20% of ARP ESSER funds. The full implementation of the evidence-based interventions should be considered including personnel, materials, equipment, professional development, and expenses needed to meet the needs of students. Other evidenced-based practices may be utilized if the intervention meets one of the four tiers of evidence. Evidence-based practices may be found at [OPI's Multi-Tiered Systems of Support](#) page.

Q70. If you are planning to develop or use approaches that are novel to address lost instructional time, would you be willing to have the OPI share your approaches with state and federal entities? If so, please briefly describe your innovation below.

N/A

7. Supporting the Educator Workforce

Determine if ARP funds will be used to support and stabilize the educator workforce consistent with Section 2001 (e) (2) of the ARP Act.

Q69. If you are planning to develop or use approaches that are novel to support and stabilize the educator workforce, would you be willing to have the OPI share your approaches with state and federal entities? If so, please briefly describe your innovation below.

N/A

8. Monitoring and Measuring Impact of ARP ESSER funds

You have reached the end of the LEA ARP ESSER Plan Update Tool.

Please take a moment to verify that your plan is fully updated. This is your last opportunity to use the back buttons to update or edit your responses before submitting.

When you are ready to submit please respond to the items below to ensure that the OPI is able to process your submission.

Q77. Please select the statement below that accurately describes your role:

- I am the Authorized Representative for this district.

Q78. Please select the statement below that accurately describes this submission:

- This is the first time we are submitting this plan update
